G.O.Ms.No.4061, Dated 3rd August 1948,
Read the following:--

G.O.Ms.No.4656 Development, dated 20th December 1946
G.O.Ms.No.3039 Development, dated 10th July 1947
From the Joint Director of Animal Husbandry Roc. 3088-IV/48, dated 16th July 1948.

Order:

In view of the increase in the cost of maintaining breeding bulls it was ordered in G.O.Ms.No.4656 Development, dated 20th December 1946 that the rate of service fees for breeding bulls in livestock improvement schemes should be raised temporarily from Re.1/- to Re.1-8-0 per service for a period of six months in the first instance. In G.O. No.3039 Development, dated 10th July 1947, the enhanced rate was ordered to be continued for another year from 20th June 1947. The Joint Director of Animal Husbandry has now stated that the reports received from the departmental officers show that the levy of the enhanced rate of service fee at Rs.1-8-0 per service has not adversely affected the livestock improvement schemes and he has therefore proposed that the enhanced rate may be continued. The Government approve the proposal.
